A Time for Christmas

How Vintage Was Formed

Joyce and Roxanne officially met while performing a production of Sweeney Todd with Diablo Light Opera Company in October 2000. They both knew Santi as an accompanist and music director for St. Bonaventure Church in Concord, California. Joyce came up with the group idea of a harmonic trio in September 2001. Magic resulted from our first rehearsal with Roxanne as our soprano, Joyce as our alto, Santi as our tenor, keyboardist, and arranger. Lynda Ludwig, our dear friend, roadie, publicist, graphic artist, photographer, and great group supporter came up with our group name, "Vintage," as well as the title of our first Christmas album, "A Time for Christmas."

Our first official "gig" was in November 2001 at the San Francisco Marriott. Great harmonies led to many late night rehearsals and to a romance between Santi and Joyce, which resulted in their marriage on November 15, 2003.

We hope you enjoy our non-traditional treatment of traditional Christmas carols, and we are proud to introduce some originals. Merry Christmas and God Bless.
